

FILM SCREENING

Film Title : Animals Are Beautiful People

Animals Are Beautiful People (also called ***Beautiful People***) South African nature documentary written, produced, directed, filmed and edited by Jamie Uys, about the wildlife, presented with comedic elements. It was filmed in the Namib Desert, the Kalahari Desert and the Okavango River and Okavango Delta. **It was the recipient of the Golden Globe Award for Best Documentary Film.**

The film begins in the Namib Desert, with the narrator saying : "You'd think nobody could make a living here." But the film proves the opposite and shows the lives of the animals that live there. The narrator concludes : "But to the Oryx and the little creatures of the Namib, this waterless, hostile desert is paradise."
