

Sl. No.	Cluster	Village name	Name of the Specific Activities carried out	Date	Extension methods used (Meeting/Demonstration/ Group discussion/ exhibition/ training/ field visit/campaign)	Number of participants
1	2	Vadaghatta	General Meeting	16.08.2022	Meeting with discussion	65
2			Soil sampling	17.08.2022	demonstration with field visit	
3			Soil sampling	19.09.2022	Meeting with demonstration	44
4			Soil and water conservation techniques	21.09.2022	Meeting with discussion	38
5			Rain water harvesting	21.09.2022	Meeting with demonstration	42
6			Composting methods, procedure and uses	26.09.2022	Meeting with discussion	48
7			Vermicomposting procedure and uses	26.09.2022	Meeting with discussion	47
8			Improved implements	02.09.2022	Meeting with discussion	43
9			Precautions during spraying	02.09.2022	Meeting with discussion	44
10			Borewell recharge procedure	06.09.2022	Meeting and demonstration	46
11			Biogas and it's construction	06.09.2022	Meeting and demonstration	39

12			Biofertilizers and its uses	08.09.2022	Meeting and demonstration	38
13			Azolla culture and its uses	08.09.2022	Meeting and demonstration	45
14			Fertilizer calculations	08.09.2022	Meeting and discussion	42

List of Activities carried out in the RAWEP villages

1. List all the activities carried out in your village along with other details
2. Attach the relevant photographs related to the activities carried out in your village
3. Attach 2 photographs which are clearly visible for each of the activity

General Meeting

Soil Sampling And Demonstration

Soil and water Conservation techniques

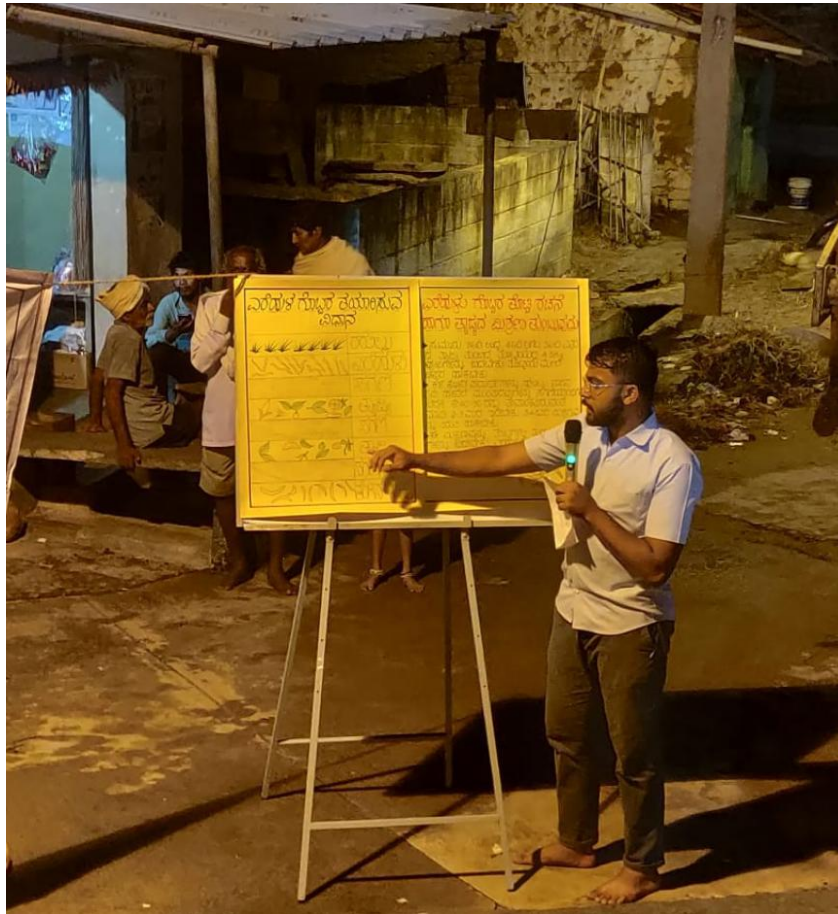

Rain water harvesting

Composting methods, procedures and uses

Vermicomposting, procedure and uses

Improved implements

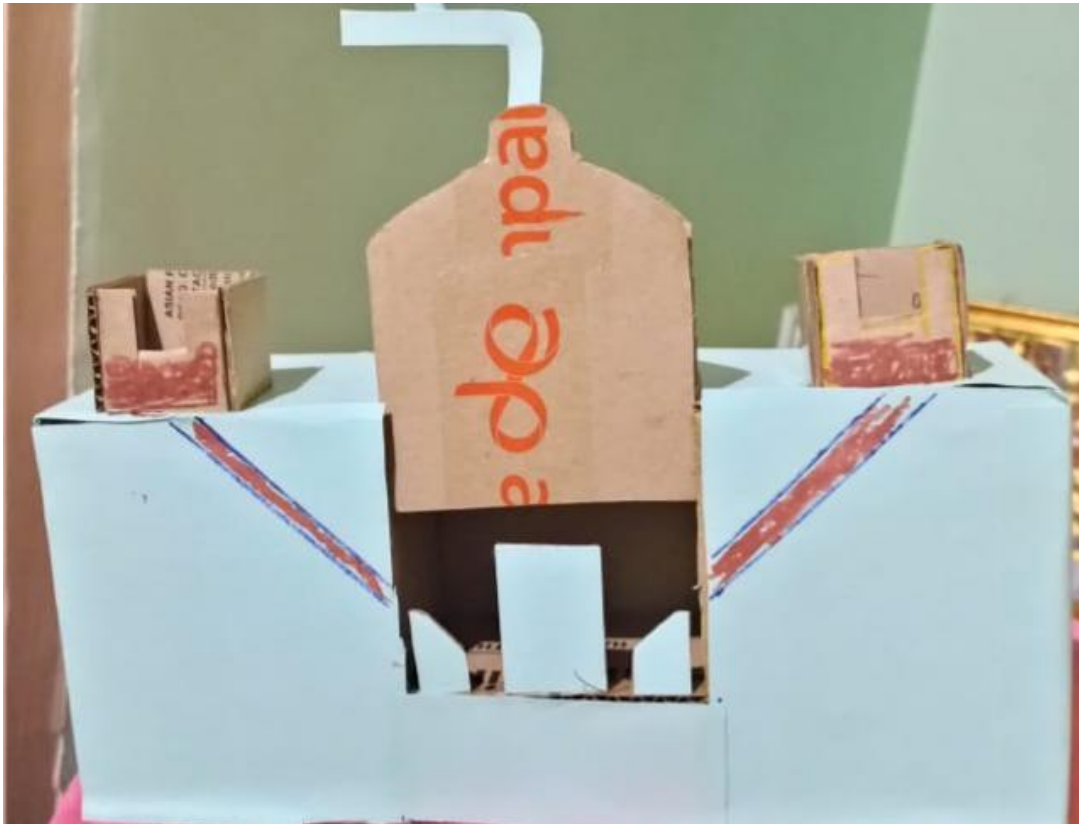

Precautions during spraying

Borewell recharge procedure

Biogas and it's Construction

Zero energy cooling chamber

Biofertilizer and it's Uses

Azolla culture And it's uses

Fertilizer Calculations
