NAHEP
Component 2 - PAES

Workshop on NARES - Blended Learning Platform (BLP)

University of Agricultural Sciences, Bangalore

19th Sept, 2023

Chief Guest:

**Dr. S.V. Suresha, VC, UAS,
Bengaluru**

Resource Person:

**Dr. Alka Arora, Professor (CA) &
Principal Scientist,
Co-PI (NAHEP Component 2),
ICAR-IASRI**

About the Workshop

Blended Learning Platform (BLP) is developed under the Resilient Agricultural Education System of NAHEP Component 2 project and implemented by ICAR-IASRI. The objective of the Workshop-cum-training program is to familiarize the faculty, administrative staffs, and students about the BLP. This platform is a combination of offline and online learning in a way that the one complements the other. This style of learning provides a way for faculty to engage students through visuals and online interaction. This approach enables effective self-paced learning with personalized learning experience to improve academic outcomes.

Workshop Schedule 19th Sept, 2023
